2009 – 2011 BIENNIAL BUDGET

STATUTORY LANGUAGE CHANGES

DIN 2000 – Adjusted Base Budget

Change PR Appropriation 129 from Annual to Continuing

The department currently receives rental payments from employees who live in state-owned housing on the campus of the Wisconsin Veterans Home at King. Those monies are deposited in appropriation 20.485 (1) (i) to be used for the purpose of providing maintenance of the state-owned housing at Wisconsin veterans homes under s. 45.50. The rental rate per square foot charged to employees is established by the Department of Administration and is intended to provide for annual and long range maintenance of the state-owned housing. Consequently, the total amount of rental revenue received on an annual basis may exceed annual maintenance expenses. To ensure that sufficient budget authority exists to expend revenues received in excess of annual maintenance costs for long range or emergency maintenance needs, the department is requesting that appropriation 20.485 (1) (i), be changed from annual to continuing.

20.485 (1) (i) is amended to read:

20.485(1) (i) State-owned housing maintenance. The amounts in the schedule All monies received from rentals of state-owned housing for maintenance of state-owned housing at Wisconsin veterans homes under s. 45.50. All moneys received by the department from rentals of state-owned housing shall be credited to this appropriation account.
